TV WALL SUPPORT ANTHRACITE

TVB 2250

The TVB 2250 is a TV wall support featuring 2 pivot points, and is suitable for TVs with a screen size from 20" - 25" (51 to 63 cm).

This universal TV wall support offers you an optimal viewing position (tilt and turn function), and frees up valuable floor space. All cables are out of sight thanks to our Cable Inlay System (CIS®) This high-quality product is TUV tested (including a load test of 3 times the maximum weight). It is available in different colours.

- 2 turning points to create optimal viewing angle
- Available in silver and anthracite
- Cable Inlay System (CIS®) - all cables cleverly concealed
- Can be combined with Vogel's Evolution audio/video accessories
